OUR STORY

We launched our clothing line to support a friend with an incurable disease. This initiative not only serves as a source of emotional comfort for our friend, enveloping them in the warmth of love and encouragement, but it also spreads awareness and compassion throughout our community. Each piece of clothing can symbolize a hug, a beacon of support, and a reminder that they are not alone in their journey. We would like to inspire people to act with kindness and solidarity, transforming our clothing line into a powerful movement of hope and unity.
